Think about extraordinary moments

Think about routine, think beyond your wildest dreams . Think what's right, think left . Think mini, think "big in Japan" .
Think quietly, think loudly . Think positively, think +/- . Think stylish, think kitsch . Think of tomorrow, think it's too late
to go . Think, re-think and shark dive in the bahamas, think and just go for it . Think that" is better safe than sorry", think
about Kissing someone in Veneze . Think about sending a message in a bottle to know where, think to call to your lover
. Think twice and bungee jump in New Zealand, think about what you accomplished so far . Think in a trivial way, think
about a 4 month trip around the world . Think about Staying out all night dancing, think what is the best for you . Think
with no regrets, think about riding the Trans-Siberian Express across Asia .
